DESCRIPTION

Coastal grasses in natural green, yellow and brown tones. Cultivated from sustainable crops. Heavy coverage of material creates a feeling of privacy.

All natural décors are produced using a hand applied technique. Layout and coverage will vary slightly from sheet to sheet due to the artisan nature of the manufacturing process. Some products use natural materials that can change color over time and will vary in size, shape, color and texture within a single sheet. Colors may vary with harvest season.

AVAILABLE ADD-ONS

ChemShield ™
A barrier used to increase the chemical resistance of Lumiclear panels.

Reflective Finishes ™
A reflective surface that adds dimension and a sophisticated sparkle.

Illume ™
Adding Illume to the back of a panel provides a soft light diffusion.

Lumiguard ™
A high-performance resin with anti-microbial technology and enhanced chemical resistance applied to any Lumiclear panel.

Marker Board ™
A high quality dry erase finish that can be added to any Lumicor panel.

Opaque ™
An opaque backing on Lumiclear or Lumiform creates a fully opaque panel.

Spectrum ™
Lumicor's color technology can be applied to add a splash of color to any standard décor.

UV Cap ™
An additional layer of UV protection on front and back.
